THE GRAND PARADE.

The Preparations Making in San Francisco for the Caming Colebration.

San Francisco, April 24.—At a meeting this aternam of the executive committee of the approaching celebration, the finance committee rejected about \$15,000 collected thus far. B was intriner reported that the bands for the parade will root at least \$450.

Deputy Commander Gard, of the Grand Army, has expressed the desire for all local posts to purficients. theipate.
The Exempt Firemen and Territorial Pioneers will also participate.

The grand marshal has given up the idea of having his aids appear in continental uniform.

PRUSSELS, April 24.—Boulanger, Count Dillon and six other Houlangists left for England yesterday, They appeared gloomy and dejected. No criwd witnessed their departure, and there was no cheering or enthusiasm. The party sailed from Datend under similar conditions. Rochefort remains here. It is reported that he will be compelled to leave shortly.

A crowd, estimated at 2000, groaned and bissed as well as cheered him. The public generally are apathelic concerning Boulanger's presence in the Cry.

THEIR ARRIVAL IN ENGLAND.

LONDON, April 24.—Boulanger and his party revived at Dover this morning. A large number of friends received him with cheers. The passage from Octond was rough, and the general suffered from seasibleness. A police commissary from Calady switched the party on behalf of the Prench Rosernbeat. The general and his friends at once proceeded to London.

SCOTCH ZEPHYRS.

We will display be our center window to day and for the halance of the week a number of our most attractive patterns in Scotch Zephyrs. We are showing styles in these goods that a in not be found elsewhere, as they are our own importation.

Prices range from 20c to 45c per yard.

FOREIGN AND DOMESTIC.

We see showing some very neal designs at 15c and 20c per yard A MAGNIFICENT LINI AT TWINTY FIVE CENTS per yard. Some of them fairly rival the French goods in point of beauty and finish.

FRENCH AND IMPERIAL SATINES AT 40c AND 50c PER YARD.

The grandest line we have vet seen. They are as handsome as India Silks and not near as expensive, and then you only need a few yards for a suit, as they are such nice widths.

SHOE DEPARTMENT.

MASSAY & CIE, PARIS.

LE PREMIER LADIES FINE FRENCH KID SHOES.

They are the munifacturers of our finest I each Kal Shoos. We have a added this celebrate I make to our dready well stocked shoe a partment LE PREMIER—In Opera foe and Common Sense Her! LE PREMIER—In Opera lose and Opera Hea! IFE PREMIER—In Common Sense The and Heel We concapted a perfect hi.

We guarantee a perfect fit

LITTLE GIANT SCHOOL SHOE. We have taken the agen v for Lorland of the above slice. The manufacturers of this justly popular shoc are Hill & Green of beverly. Mass. They have given us the sole control of their line of goods for the market liver, pair warranted to be as simple shown. Material usels, the same quality in every pair of shoes in the uppers, soles, and counters.

The whole prosecu ion of Bou I fladents. The whole prosection of holi langer we fill be impressed a rule on stitution for his acts and word would not cristitute an impachable offuse. He simply e thins for his pla form what he calls national review that is he would recost the present constitution of the I rend reput local many side of affording a good or just

tion constitutional amendment in Massa chusetts sun loubledly the beginning of the mation of the Trench people. Under our constitution you could no more impect has officer of the general government like a president or a judge for expressing such and of this legislative moral quarkery in New England. The straggle has been one of intense interest and unflinding effort on intense interest and unlinching effort on both sides. It has not been a more light be tween the sideon power on one side and the friends of temperance and social morality on the other. The first preather of the Protestant Episcopal church, Phillips Brooks has spoken against prohibition, liev Dr Birtol and Key Dr M. I Savage the first preachers of the Unitarian church have sooren with equal transfers. president or a judge for expressing such years, than you could impetch Senator Mitchell for pullishing in one of his mous moments, his desire so to recast and revise the constitution that he could get the word God into it spelled with a large G. To an American the whole proceedings of the I reach senate against Boulanger seem out rageous, absurd tyrantical. The main is a charlating lie is a mere figurehead and puppet for the real leaders of discontent in rance, but he has been guilty of no treaten bave spoken with equal transhess against it A very large number of the most emi-nent numbers in Massachusetts were op-posed on principle to the adoption of the amindment, they declared their opposition I rance but he has been guilty of no treason by overtor covert act. He talked or 'agi tited' entirely within the bounds of free-speech as the term would be understood in to their church congregations and many of them signed a probet against the amend-ment, briefly setting forth their views for publication in the public press. The great majority of the merchants the lawyers the physicians the scientists declared against it because sixteen years of prohibition in Massachusetts from 1832 to 1845, but one our country and he would have a perfect right to express his opinions. A very pow-ciful party agreed with Boulanger's cry for the constitution. The argument of this great party is thus clearly stited by the Paris correspondent of the New York San Massachusetts from 1502 to 1805, had con

Massachusetts from 1832 to 1845, had contured them that in its practical workings it
was deporalizing legislation.
It is "he lessons of history and the knowledge of them by intelligent men that has
arrayed such a powerful party in Massachusetts against prohibition. It is a notable
fact that colonel Thomas W. Hy ginson and
a number of connect reformers who have
species for total abstractors as the most a number of chinect retortacts who have spoken for total abstinance as the most prudent private practice, have in this etition localized as institution have in this etition localized as institution foliam. Colon I hagmison joint out the dour neighbors and foliam a treens cannot be made total at it in ers by violence and the abitst public men of the state beginning with Julige Roar have denounced the violent effect of the product termins to recast an obsolete stitute and force it into the organic law. No sine man should expect that probabilition which had proved may receable by statute would be

LACTATED FOOD to the street the perfectly

Works with the Stomach and the Stomach works with the Stomach and the Stomach with the L ver Vou must have good bile to have perfect digestion, and free liver action to have pure blood. Therefore beware of a congested Liver which is nothing more than a thickened and clogged L ver. The great reducer of congestion is Scherick's Mandrake Pills.

An early and ugly form of liver trouble. It is blood posson. The Liver's not taking the big of ugredients from the Hood. Freat it with Schenck's Mandrake P. s and make it.

If you have neglected the raws of localition hand and feel that your hungs are a volved in any year send for Dr. St. in a snew book on the Langs Liver and Stomach. I seem from and will be of infinite service to you

TO EILL BURROWING ANIMALS

CHARLES, APRILES, APRILES, There been a read-rof The Prince to The Openosities.

There been a read-rof The Pricosian for the pass twenty the years. Buring the past winter I have two seen questions asked in its columns how to kill furre wing mains in The accompanying (1) pung, which Thave save I have I have been the problem.

In localities where squirrels schilled or any burmoning samms but one troull some, the methol crylished in the following extract may be found useful and worth tryins, bome three years are, when making a trip gress the continental divide, I stought for din ner at a roadside tavern, situated in a creek valley close at hand was a prairie, day town, numbering over 500 tubabitants. Not long since I had occasion to stop at the same level prairie nace seconded by prairie dogs, had been enclosed ployed and was then correct with a luxuriant crup of grass, seeing an

He Wants to be a Police Commissioner.

- FFG 7L It must not be, there is no power in Pod-

Thank Cin alter a decree established.

Twill be recorded for a precedent,
And many an error of the same example
will rush into the state, it can not be SHYLOCK-A Daniel come to judgment; ye a Daniel

I pray you let me look upon the "Fixed City Charler BHILDCK-

JUDGE-

Jt Inch

Here his, most I arned judge, here 'tis-1105in I why is it, Shvlock, that you want to be a commissioner \hbar

- A FOL PRP Most learned judge I can not lie to thea, but I want the office for the power and the gold there s in it

But, Shalock, know we not that a public office is a public trust. Are we affailed to run for the office. SHITTOCK

Most learned judge, I am, that's why so fixed the city charter.

For Wednesday and Thursday-Special Sale of "FIXED CHARTER" Special Sale of "FIAED CHARLES 127, 11 State of Rooms 2 and 3 percent on Men's Suits. Prices \$12 to \$20, war ranted to fit any shaped man, as they have been "FIXED" for the occasion.
